

Weldable PVC foams that provide effective thermal and acoustic insulation

Insulation curtains

flexible doors

Protect Foam

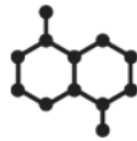

dB 4800 | dB 4802 | dB 4802L

Protect Foam dB 4800, 4802 and 4802L are weldable PVC foams that provide effective thermal and acoustic insulation. These materials are suitable for types of industrial use: flexible doors, insulation curtains, etc.

advantages

Effective thermal and acoustic insulation

Good flexibility

Easy to weld
